Continuation Sheet (PTOL-303) 110/024,818

Continuation of 2. NOTE: While Applicant has resolved the issue of new matter in the amendment, the amendment still would require further search and consideration since the element was not previously searched with the limitations now imposed by the claims. Since a new search is required the amendment will not be entered.

Continuation of 3. Applicant's reply has overcome the following rejection(s): In view of the petition, the Froehler reference is overcome and claims 139-144 are now allowable as there is no prior art rejection with regard to these claims.

Continuation of 5. does NOT place the application in condition for allowance because: The arguments are addressed to the claims as amended and the amendment was not entered..
